

# Walking Fish Pottery

## Color Chart

### Color Combinations

Harmony  
(gloss)

Midnight  
(gloss)

Sea Foam  
(matte)

Blue Sky  
(gloss)

**Note:** *There are many elements that affect the final color of a glaze: the makeup of the glaze itself, the firing temperature, atmosphere, speed, and the type of clay. Due to the variables of the glazing and firing process **exact color matches cannot be guaranteed.** Colors are approximate.*
